

## Art. 66 1/2, §5-401A.

It is placed in this subtitle since it applies not only to dealers and vehicle salesmen, but, also, to "any ... person" who sells a minibike.

In subsection (a) (2) of this section, the term "farm tractor", which is defined in §11-121 of this article, is substituted for "tractor" for clarity.

The only other changes are in style.

GENERAL REVISOR'S NOTE:

In revising Title 15 of this article, the Commission to Revise the Annotated Code created this subtitle to include the substance of the several provisions that, either by express statute or by rule or regulation, are common to all of the businesses and occupations licensed by the Administration. This avoids the present repetition of these provisions in the source law and achieves uniformity and consistency in essentially procedural and administrative matters.

Throughout this title, repeated references to rulemaking powers of the Administration are deleted as unnecessary in light of §12-104(b) of this article to the same effect.

Present Art. 66 1/2, §5-901, which relates to certificates of compliance with the Workmen's Compensation Law, is omitted from this title and its substance incorporated in §1-102 of this article.
